Unhealthy kidneys cause lumbago, rheumatism, catarrh of the bladder, pain or dull ache in the back, joints or muscles, at times have headache or indigestion, as time passes you may have a sallow complexion, pully or dark circles under the eyes, sometimes feel as though you had heart trouble, may have plenty of ambilion but no strength, get weak and lose flesh.

If such conditions are permitted to continue, serious results are sure to follow; Bright's disease, the very worst form of kidney trouble, may steal upon you.

Prevalency of Kidney Disease.

Most people do not realize the alarming in-crease and remarkable prevalency of kidney dis-cess. While kidney disorders are the most com-
